EDUCATION

The Urban Assembly Gateway School for Technology, New York City

Sept 2016 - June 2020

GPA – 3.3

EXPERIENCE

The Urban Assembly Gateway School for Technology, New York City — *Translator*

March 2018

Assisted teachers in their communication with parents. Listened attentively to what was being said by the teacher to accurately translate to parent and provide correct information.

Managed list and line of parents of classroom and made sure each parent went as list follows.

The Urban Assembly Gateway School for Technology, New York City — *Assistant*

April 2018 - June 2018

Assisted teacher with whatever needed to be done around the classroom. Collaborated with other student to make sure work was being split evenly to ensure efficiency in tasks getting done.

The Urban Assembly Gateway School for Technology, New York City — *Assistant for orientation*

May 2018

Collaborated with teachers and students to prepare floor for orientation night. Greeted parents when entering the classroom and pitched to them the quality of our school and what sets us apart from others

PROJECTS

Bag It Up— *Web App*

Web App designed to reduce the use of plastic bags within a

SKILLS
